ROAD CLOSURE NOTICE

Tassajara Road/Camino Tassajara Road

Expected Dates of Closure
May 2, 2016 - December 2016

A portion of Tassajara Road/Camino Tassajara will be closed for an extended period of time, beginning on May 2, 2016, in order to replace a failing drainage culvert. The culvert runs under Tassajara Road just north of the Fallon Road intersection. This project will provide greater safety for motorists traveling along this section of Tassajara Road, and will reduce the likelihood of emergency road closures in the future.

This closure will block access along Tassajara Road north of Fallon Road. Drivers, bicyclists, and pedestrians will be unable to use Tassajara Road/Camino Tassajara to travel between Dublin and the San Ramon/Danville area for the duration of the work and will need to take alternate routes. Alternative routes include both Windemere Parkway and Bollinger Canyon Road. While through traffic will not be permitted, local residents will be allowed access to their properties from the north.

Emergency responders and other service providers have been notified and will be prepared to provide services during the road closure.

A Frequently Asked Questions sheet and a map of the closure area with alternate routes are included for your reference.

We apologize in advance for any disruption caused by this work. Thank you for your patience as we work to maintain and improve the safety and quality of our roads.

Need more information? Please call Dublin Public Works at (925) 833-6630 or go to www.dublin.ca.gov/roadwork.
