Join us for an exciting, curriculum based co-operational preschool experience. Staff fosters a warm and caring environment, where each child is free to express themselves, learn new skills and simply have fun! Students are taught basic social and emotional development, language, communication skill, pre-reading and cognitive processing skills as well as, monthly recreational enrichment classes such as music and physical fitness activities.

Children of all developmental abilities are welcome. All children must be fully potty trained. Proof of age is required prior to final acceptance of your registration. Please feel free to call (925) 556-4500 if you need assistance with proper class placement for your child.

Registration

Registration for the 2012–2013 school year is underway. Please visit www.DublinRecGuide.com to check current class availability. You can also visit the Shannon Community Center at 11600 Shannon Avenue, Dublin to register.
