

SPRING EVENTS

Everything's blooming in Dublin this spring, including your business when you sponsor one — or both — of our springtime special events.

Eggstravaganza

April 15, 2017

Dublin's annual egg hunt at beautiful Emerald Glen Park is the perfect place to reach parents and grandparents of young children. An "everyone wins" format allows even the littlest egg-hunters to gather a basketful of colorful eggs before meeting Peter Rabbit and Flopsy for photos, hopping in bounce houses, and enjoying a variety of children's party activities. The event has grown so popular that we now offer three separate hunts, with a combined attendance of approximately 1,500.

Spring Fair

May 6, 2017

Dublin Heritage Park and Museums' Spring Fair brings out families who enjoy making and doing things together. Hands-on farm activities, like churning ice cream and working in the garden, provide a full afternoon of educational fun for 500+. This event is a great match for sponsors who want to connect with environmentally conscious customers.
