THE WAVE TO REOPEN MEMORIAL DAY WEEKEND

Waterslides and Splash Zone May Reopen in Mid-June

DUBLIN, Calif., May 11, 2021 – The City of Dublin is excited to announce the re-opening of Recreational Swimming operations at The Wave for the Summer 2021 season, beginning Saturday, May 29. All California Department of Public Health and Alameda County Public Health Department guidelines will be followed in order to ensure the health and safety of all guests and Wave staff.

Recreational Swimming will resume operations on Saturday, May 29, 11:00 a.m. to 2:00 p.m., running every day of the week throughout the season. The price per entry is \$6 per person and pre-registration is required, as park capacity will be limited. Reservations will open on Friday, May 14, at www.DublinRecGuide.com.

The start of Recreational Swimming also marks the return of The Wave's Birthday Party Program. Birthday party reservations must be made in advance on www.DublinRecGuide.com. Guests will be limited to current social bubble guidelines, based on the State of California's tiered blueprint for reopening.

Pending the status of California's planned reopening, The Wave Waterpark, which includes the Splash Zone and the Waterslide Tower, could reopen in mid-June, with the health and safety of its patrons in mind. The Wave Waterpark will include reduced capacity; cashless advance ticket sales and reservations; social distancing; and enhanced cleaning regimens. Waterpark hours will be 11:00 a.m. to 6:00 p.m.

For more information, including hours of the facility and admission prices to the outdoor waterpark, group rentals, and class registration, please visit www.thedublinwave.com or call (925) 574-4800.
