- Amador Valley Boulevard: 14 feet 11 inches

1. Permittee shall telephone the City of Dublin Public Works Department at (925) 833-6630 prior to entering the City Limits and advise date and time that the subject vehicle or load will enter and leave the City and the proposed route to be used. If permit is an annual permit issued for more than one vehicle, Permittee shall also advise the Public Works Department of the type of vehicle and/or load.
2. If the vehicle is entering the City on a weekend or holiday when the Public Works Department is closed, Permittee shall notify Dublin Police Dispatch at (925) 462-1212.
3. The City of Dublin Municipal Code prohibits commercial vehicles over 3 tons gross weight from using residential streets unless a delivery is to be made on a residential street. In such cases, the most direct route shall be used to access the delivery address, and the driver shall carry a manifest or bill of lading indicating the residential delivery address.
4. Permittee shall provide the City of Dublin with a certificate of liability insurance indicating at least the minimum limits specified by the California Vehicle Code. The certificate need not name the City as an additional insured.

6. This permit is valid only for vehicles and/or loads not requiring traffic control and/or escort by Dublin Police or the Public Works Department or moving of any City or utility facilities such as (but not limited to) power lines, telephone cables, traffic signals, etc. Vehicles or loads of such dimensions as to require traffic control or relocation of facilities will be subject to charges for those services. Charges will be equal to the cost of the services plus overhead.
7. Permittee shall carry a copy of this permit in the vehicle at all times when vehicle is within the Dublin City Limits. Photocopies or fax copies are acceptable.
8. ANNUAL PERMITS: Annual permits are issued for any and all vehicles or loads of the dimensions shown on the face of the permit OR LESS. Permittee does not need a separate annual permit for each vehicle.
