MEMORIAL PROGRAM

ABOUT THE PROGRAM

The City of Dublin's Pioneer Cemetery was established in 1859 and is set at the historic *Crossroads of the Bay Area*. The cemetery is part of the larger Dublin Heritage Park and Museums site, which also includes the Murray Schoolhouse, Old St. Raymond Church, and the Kolb House and Barn. The Dublin Pioneer Cemetery has a rich history, as it is the resting place for many of Dublin's founders and early pioneers of the Tri-Valley.

With the upcoming renovation of the Dublin Pioneer Cemetery, residents will have the opportunity to memorialize loved ones with a monument in their honor.

- The main path through the cemetery is Hawthorn Way. New hawthorn trees will be planted along the pathway, and memorial plaques, mounted at the base of the trees, may be purchased in memoriam.

- A renovated entrance plaza to the cemetery will be lined with new brick pavers, which can be personalized with the names of your loved ones.

- A limited number of new benches and boulders will also be installed, which can be purchased in memoriam and also hold the cremains of up to two individuals. These will be set within the natural beauty of the park and can be the perfect resting place for you or a loved one.
