## BENCH MAINTENANCE

There is a ten-year maintenance and replacement guarantee. Maintenance of all benches will be the responsibility of the City of Dublin, and includes graffiti removal and painting as needed. The bench will be kept in place if serviceable beyond ten years.

When a bench is no longer serviceable, applicants will be advised and allowed to adopt a new bench under the terms and conditions. If it is not renewed, a new donor may adopt the bench.

Upon installation, all park benches and plaques will be owned and maintained by the City of Dublin. The donor does not have any claim to ownership of either the bench or the plaque.
