WHAT IS NEIGHBORHOOD WATCH?

Neighborhood Watch empowers residents to work together with law enforcement to prevent crime and enhance safety. By staying alert and connected, neighbors help protect their homes, reduce burglaries, and build a stronger, safer community for everyone.

THREE MAIN FUNCTIONS

A successful Neighborhood Watch group focuses on three main responsibilities:

- Conducting neighborhood patrols
- Reporting suspicious activity
- Reporting criminal incidents

Important Reminder: Neighborhood Watch members should never intervene or attempt to apprehend suspects. That responsibility belongs to law enforcement professionals. Stay safe and alert—your role is to observe and report.

OVERALL GOAL

Criminals do not want to be seen. The goal of a Neighborhood Watch group is to create a strong perception that suspicious or criminal activity is being observed.

5 STEPS FOR A SUCCESSFUL NEIGHBORHOOD WATCH

1

SELECT A BLOCK CAPTAIN

Choose a block captain—or co-captains—who will serve as the main contact for DPS and help organize and lead Neighborhood Watch meetings.

2

IDENTIFY PARTICIPATING HOUSEHOLDS

Start connecting with your neighbors to invite them to join your Neighborhood Watch group. Going door-to-door in teams is a great way to build relationships

3

GATHER INFORMATION

To help keep neighbors connected, assist emergency personnel when needed, and recognize who and what belongs in your neighborhood, gather the following details:

- Home addresses
- Phone numbers and email contacts
- Names, gender, and age of household members

4

CREATE A MAP

Create a neighborhood map that includes basic demographic details for each household. Share the map only with Neighborhood Watch participants, and ensure it remains confidential. Each group is responsible for keeping the information up to date.

5

TIME TO GET ACTIVE!

Neighborhood Watch groups are designed to allow you and your neighbors to continue to enjoy your everyday routine by making a few simple adjustments. “Patrol” can range from neighborhood dog walks to holiday house competitions. Remember, more eyes on the street.

- Introduce and organize your group
- Explain the purpose and benefits of the Neighborhood Watch program
- Or simply host a fun activity to bring neighbors together

Responsibilities include:

- Keeping sign-in sheets for each meeting
- Updating the neighborhood map with any changes
- Serving as the main point of contact between your neighborhood and Dublin Police Services (DPS)

NEIGHBORHOOD WATCH MEETINGS

@Dublincapolice

@Dublincapolice

Get as many neighbors involved as possible. Not everyone will want to be a part of the program, and that's all right. Make sure they know about the Neighborhood Watch program and that they are always welcomed to come to the get-togethers and events.

HOSTING YOUR MEETINGS

Make it convenient! Host meetings in your neighborhood so that your neighbors will come. Meetings can be held indoors or outdoors, depending on the weather. If outside, ask the participants to bring their own chairs. Most meetings are held outdoors, in the front of the home, in the driveway, garage, etc.

At minimum host a meeting at least twice a year. Evenings, Mondays through Thursdays, are typically the best days to host a meeting. It allows everyone to get home and not have to worry about weekend activities.

MEETING TOPIC IDEAS

Creating an agenda helps keep your Neighborhood Watch meeting focused and respectful of everyone's time. While meetings are a great chance to socialize, they're also an opportunity to:

- Plan upcoming events
- Discuss recent incidents or concerns
- Invite guest speakers to share helpful insights

Suggested Topics to Cover:

- Safety for children, teens, and the elderly
- Traffic and parking issues
- Home security and safety tips
- Crime prevention strategies
